Large Commercial Lines Producer
Houchens Insurance Group
Lexington, Kentucky

Travis Anderkin is a Commercial Insurance Producer at Houchens Insurance Group (HIG), providing customized insurance solutions to businesses across a range of industries. Drawing on his extensive background in commercial insurance, Travis and his team specialize in addressing clients' property and casualty needs. They have experience helping companies navigate the insurance process of mergers and acquisitions, providing tailored solutions to mitigate risks and ensure a smooth transition for clients. Additionally, Houchens Insurance Group utilizes its internal risk management services to provide clients with greater value and support throughout the insurance process.

HIG is a member of Houchens Industries, one of the largest 100% employee-owned companies in the US, serving communities in grocery and convenience, construction and manufacturing, healthcare and retail, hardware, restaurants, and insurance. With over 350 employee-owners and 8,000+ clients in all 50 states, HIG has the experience and expertise to consult with organizations of any size in any industry.
