

Michael Dilly CPA, ABV
Business Valuation Manager
Atlantic Management Company, Inc
Lexington, Kentucky

Michael works with Atlantic Management Company, Inc. a leading valuation and financial advisory firm serving the business, legal and financial communities. Michael provides valuation services to clients in a variety of contexts including estate, gift, and income tax planning and reporting, marital dissolutions shareholder transactions, and mergers and acquisitions. Michael has served as an expert witness in commercial arbitration and also has experience assisting clients with purchase price allocations and other consulting projects.

Michael has valued companies engaged in the following industries: coal, health care, manufacturing, and agriculture; also valued a variety of retail establishments, service businesses, and holding companies owning real estate, marketable securities, closely-held stocks, and other assets.

Prior to joining Atlantic Management Company, Michael spent 5 years in public accounting, focusing primarily on business valuations, and 5 years as a financial analyst managing feasibility projects for start-up companies in the energy and non-profit industries.
